

PAUL BUNYAN RIDERS SNOWMOBILE CLUB

SEPTEMBER, 2019

Paul Bunyan Club Members,

As we approach the start of another snowmobile season, it has been quite a summer, weather-wise. It's still too early to tell how we will be impacted by storm damage. Keep your fingers crossed. Our first club meeting will be held on **Sept. 10, 2019, at 7 pm at Phil's Philling Station** (16861 Unity Dr. Townsend). We will be drawing for the volunteer gift card at this meeting. Attendance at this meeting and the next two monthly meetings, qualifies you for Christmas party refreshments. Ask about it at the meeting.

We are having a Poker Run again this year which runs from Sept. 2019, until our January Snow Fun Day, at Waubee Lake Lodge. Poker books can be purchased at any of the participating businesses listed at the bottom of this newsletter for \$5.00 per book. Please support them throughout the season and remember you can go by car, truck, ATV/UTV, motorcycle or snowmobile, to get your books stamped/signed.

PLEASE SAVE THE FOLLOWING DATES ON YOUR CALENDARS TO VOLUNTEER TIME AND/OR SUPPORT THE CLUB:

Saturday, **January 25, 2020** – Our Snow Fund Day at Waubee Lake Lodge

Friday, **May 29, 2020** - 1st Brat Fry at Supervalu in Lakewood

Friday, **July 17, 2020** - 2nd Brat Fry at Supervalu in Lakewood

Enclosed is a **Membership Renewal** form for July 1, 2019 to June 30, 2020 club dues, and to update contact information. Please note the membership date change. Some of you may already know the AWCS membership year has been changed to follow the DNR Trail Pass effective dates. Most clubs have followed this and changed their membership effective dates for uniformity. **Trail Passes DO NOT come from the clubs**. Discounted trail passes are purchased through the AWSC. We are accepting your club renewals any time after July 1, 2019, so that we can pay your AWSC dues for you. Once your AWSC membership has been renewed, you can apply for discounted trail passes. For questions about purchase of the Discounted Trail Pass, go to www.awsc.org website, email them at awsc@awsc.org. or call the office at **800 232 4108**.

A big thank goes out to all the volunteers of last year's activities and to those who donated items for the basket raffles, Booze Basket, or joined as a Booster or Goodfellow. The club can't survive without volunteers to help with signing, brushing, selling/buying raffle tickets, and working the Fun Day or a Brat Fry. Our club has over 200 members. Running a club that large takes a lot of man hours behind the scenes. More work than can be handled by 4 officers and 5 board members, so don't forget to check the **volunteer activities section** of the Membership Form when you renew. Please help us out in any way you can. I'm looking for people who can help with organizing /volunteers for Brat Fry's or Snow Fun Day. Or working on publicity for some of our events, or even Newsletter mailings. Contact me if interested. Any training needed will be provided.

You can always check the web site (www.paulbunyanriders.com) for further information on meetings, activities, and weather/trail conditions (once the season starts). Also posted are the minutes from each membership meeting. Club questions, just Email us at paulbunyanriders@gmail.com.

Respectfully submitted,
Diane Fitzpatrick, Secretary
