Our November 12, 2019, meeting was called to order by President Dave Thomson with 35 members present at Mulligan's. A motion was made by Jim Juran, and seconded by Dean Martin, to accept the secretary's report from our October meeting as printed and posted on the website. M/C.

Trail report:

After over 200 hrs. of work and more hours of signing, our trails should be open on time. Thanks to those who worked brushing on November 9th. Trees will continue to come down as winter progresses. A sign-up sheet was passed around for those members who would be willing to ride along with a groomer operator in the beginning of the season, as they go out to pan trails and check for downed trees. If you would like to help please email paulbunyanriders@gmail.com to be added to the list. Due to the number of trees being cut along the trails, there will be hidden stumps under the snow. **PLEASE don't go off the trails for this reason.**

AWSC Director Report:

The most recent AWSC Workshop and Directors Meeting report was emailed out to members. As was an AWSC request for help with Blue Mounds State Trail meeting and DNR website comments. AWSC raffle tickets for \$100 each can be purchased through Kurt Butler.

OCSA (Oconto County Snowmobile Alliance) donated \$100 for Pam & Kurt to purchase hats and gloves for the KAOS youth project at the workshops.
