FEBRUARY 2022 NEWSLETTER

Paul Bunyan Riders' Members,

We hope all our members are enjoying the great snowmobiling season we are experiencing this season! The trails are in great shape, thanks to all the dedicated groomer drivers who go out frequently to keep them in top shape. So come on up and ride, but please ride safe and responsibly.

If you haven't heard or seen it yet, the club purchased a 2021 New Holland T6 tractor to replace the 2000 Tucker. This new machine is working out great, and is out there grooming with the other two machines, as required.

A **huge thank you** to everyone who prepared for Snow Fun Day, volunteered their time, donated items and more importantly, gathered friends and family to attend. Snow Fun Day is our major fundraiser for the club. Overall, it was a huge success!! Again, thanks to everyone who made it possible. A list of all Snow Fun Day winners is posted on our website, <https://www.paulbunyanriders.com>.

A membership meeting was held on February 8, 2022. The treasurer and secretary reports were given and approved. We currently have 521 members with 78 new members to the club. A big WELCOME TO ALL!

- We will be having our final membership meeting of the 2021-2022 season on **Tuesday, March 8<sup>th</sup> at 7pm at the Firelite Bar**. Food and beverages can be purchased, so come early to enjoy some good company with your fellow club members. This meeting is an extremely important meeting because it is the election of officers and board members. Positions up for election: President, Treasurer, Membership Secretary and two board members. Current nominations are:
  - President: Dennis Pommering
  - Treasurer: Julie Pommering
  - Membership Secretary: Robby Juran
  - Board Members: Tim Mauer and Bob Goble

During the meeting there will also be an opportunity to submit nominations from the floor. Because of this, we cannot do an election via email.

Lastly, there are a couple of great apps out there to track your rides or see where and when the groomers were out. They can be obtained at the Apple App Store or Google Play. They are listed below:

- **Polaris Ride Command** is a great navigation system. It tracks your rides, provides for super navigation, marks waypoints, identifies bars/restaurants, assists in planning your rides and does a really cool 3D flyover when your ride is complete.
- **The GTS Trails App (Groomer Tracking Systems)** is a nice view of where and when the groomers have been out in the last 24 or 48 Hours. Actually, it frequently updates within 4-8 hours of active grooming.

Enjoy your ride and be safe out there!
