

PAUL BUNYAN RIDERS SNOWMOBILE CLUB

P.O. Box 61, Lakewood, WI 54138

FEBRUARY 2023 NEWSLETTER

Paul Bunyan Riders' Members,

We hope all our members are enjoying the fun snowmobiling this year so far, especially with the recent fresh snow. The trails are in great shape, thanks to all the dedicated groomer drivers who go out frequently to keep them groomed. We are so glad you come up to ride and support our local businesses and community.

A huge thank you to everyone who either helped us prepare for Snow Fun Day, volunteered their time, donated items, or more importantly gathered friends and family to attend. Snow Fun Day is our major fundraiser for the club. Overall, it was a huge success and raised enough money for our first payment on the Holland T6 Groomer!! Again, thanks to everyone who made it possible. A list of all Snow Fun Day winners is posted on our website, www.paulbunyanriders.com.

We currently have 481 members with 101 new members to the club. A big WELCOME TO ALL!
The club would like to thank all the Gold members, (donated \$50 or more)

Neal	Rabideau
Jason & Jennifer	Reinke
Tom & Cindy	Tomopoulos
Joseph	Traversa
Jason & Janelle	Walton
Larry	Westphal
Dan	Wollin
Troy	Young

- We will be having our final membership meeting of the 2022-2023 season on **Tuesday, March 14th at 7pm at the Firelite Bar**. Food and beverages can be purchased, so come early to enjoy some good company with your fellow club members. This meeting is an extremely important meeting because it is the election of officers and board members. Positions up for election: Vice President, Administrative Secretary and three board members. Current nominations are:
 - Vice President: Tyler Hundt
 - Administrative Secretary: Amy Klapper
 - Board Members: Laurie Asher, Jim Juran, Dean Martin, and Toby Warden.

During the meeting there will also be an opportunity to submit nominations from the floor. Because of this, we cannot do an election via email.

Lastly, there are a couple of great apps out there to track your rides or see where and when a specific trail was last groomed. They can be obtained at the Apple App Store or Google Play. They are listed below:

- **Polaris Ride Command** is a great navigation system. It tracks your rides, provides for super navigation, marks waypoints, identifies bars/restaurants, assists in planning your rides and does a really cool 3D flyover when your ride is complete.
- **The GTS Trails App (Groomer Tracking Systems)** is a nice view of where, and how long ago, a trail has been groomed. And, it frequently updates within 4-8 hours of active grooming.

Enjoy your ride and be safe out there!
